

Mrs. Soldner's Pre-K News

January 2023

Message from the Teacher

This month, our theme is Winter/Snow! During this unit we will learn about winter, snow, and polar animals. You can help at home by continuing to explore these topics together. Fun suggestion: Go for a winter walk! See what signs of winter you can spot (bare trees, snow, icicles, etc.)

Re-enrollment begins next month. I will be sending out recommendations this month for either TK or Kindergarten. Due to increased number of students interested in kindergarten here, we will be **applying** for kindergarten beginning next month. Please refer to the [EC Handbook](#) for more information or email me.
