

Mrs. Soldner's Pre-K News

October 2022

Message from the Teacher

This month, we will be learning about Night/Sleep. During this unit, we will learn about the importance of sleep, bedtime routines, and nocturnal animals. This would be an awesome time to establish a bedtime routine at home if you have not already done so! You could also make a visual schedule for your child to use each night before bed. Check out the Resources section on our website for ideas! We will also be making alphabet book pages on Wednesdays. If you are able to help, sign up [here](#)!
