

# At-Home Activities BINGO

## PS - February

Initial next to each activity your child completes at home this month. Return to the teacher at any time by March 3<sup>rd</sup>. For each "BINGO" your child gets, he will be able to choose one sticker from our classroom sticker box!

Letter Chalk Jumping – write letters outside with chalk. Call them out and have your child jump to each one. (If it's too cold, draw on paper inside.)	Create a castle! You could use blocks, blankets, pillows, items from nature, whatever you want!	Write letters on pieces of paper & hang around the room. Call out the letters & have your child run & tap it.	Fold a piece of paper in half and draw an ice cream cone shape (half a heart). Have your child cut along the line. Unfold it to reveal a heart. Make as many as your child wants!	Opposite Game – find an object you see & describe it (ex: I see a tall bookshelf) then your child responds with something she sees that is the opposite (ex: I see a short table).
Complete a puzzle together!	Draw a picture to represent a Bible story from this month.	Rainbow Name Writing – practice writing your name in different colors!	Use stamps to spell your name!	Cutting Practice – Draw various lines for your child to cut along. Practice using correct scissors grip.
Read a book together every night before bed for one week.	Writing Prompt – what would you look like if you were in a fairy tale? Draw a picture of you as a fairy tale character (prince/princess, fairy, dragon, etc.). Have someone else help you label it.	Free Space	Create a collage using the first letter of your child's name! Find the letter in magazines or newspapers. Cut it out & use the letters to create a collage.	Paper plate toss – write numbers on plates. Read them & throw them like Frisbees.
Retelling – Choose a favorite book/story. Read it together again & see if your child can retell it or act it out afterward. Provide prompts if needed.	Lego Numbers – write numbers on Legos & build them in order!	Make a pattern using food!	Fine Motor Practice – painting with Qtips! Could also have child paint over letters, numbers, shapes, etc. & dot them with the Qtips.	Act out a Bible story from this month.
Become Letters – Use your bodies to create letters. Could also spell your name using your bodies!	Bead Patterns – lace beads on a pipe cleaner or string to create a pattern!	Flashlight Numbers– tape numbers to wall or ceiling & turn off lights. Have child find & read with a flashlight.	Go Fish – make 2 sets of letter cards & play Go Fish. Use letters in your child's name. Add more letters if your child is ready for it.	Read a book together every night before bed for one week.
