Mrs. Soldner's TK News

April 2024

Teacher Message

Hello TK Families! This month, our theme is "Wild Animals" and we will be learning about wild animals and their habitats. You can help reinforce this at home. Fun idea: Go to the zoo! If you lose your BINGO board, find a new one [here](#).

We have many fun activities we added for our last week of school! Check out the Sign Up Genius Sheets to sign up to volunteer! One of our events will be an Alphabet Parade. I will send an email with more information along with a Sign Up Genius link to choose your child's letter! Other events include: building animal habitats, a wild animal scavenger hunt, and a zoo escape room.
