

Mrs. Soldner's TK NEWS

March 2024

Teacher Message

Hello TK Families! This month, our theme is "Spring/Easter" and we will be learning about the season of spring, flowers, insects, and Easter. Miss Wallace will be teaching a special mini unit the first week about flowers – life cycle, parts of a flower, etc.

If you lose your BINGO board, find a new one [here](#).

Please remember that kindergarten applications will be reviewed at the start of this month. Families will be notified of the decision within one week of March 1st. If you missed the February cut off, you can still apply for Kindergarten, however, your child's application will not be reviewed until the following month along with other applications submitted in the same month. More information can be found in the [EC Handbook](#).
