November 2023

Teacher Message

Hello TK Families! This month, our theme is "Farm." We will talk about farm animals, crops, harvest, etc. We will also talk about leaves changing in the fall. You can help by reinforcing these skills at home. Parent teacher conferences will be this month and will take place the week of November 13th. Please keep an eye out for an email with a link to sign up. I will first send it to families who I know are unable to meet with me during the day. We will have a Family Education Night on the 30th at 6 PM. More details to follow. If you lose your BINGO board, find a new one [here](#).
